

Press release

Basel, 26 November 2020

**Manager and go-getter with wide-ranging experience and good network of contacts**

## **Christian Mutschler to become the new CEO of Rhystadt AG**

**A native of Basel, Christian Mutschler has been appointed as the new Chief Executive Officer of Rhystadt AG by the company's Board of Directors. This property expert with wide-ranging industry and managerial experience as well as strong roots in the region will fill the currently vacant position from February 2021 onwards and, in his new role, push forward with the project for a lively, vibrant and diverse urban quarter at the Klybeck site.**

Christian Mutschler has over 20 years of experience in the strategic and operative oversight of major projects in the arenas of corporate real estate, facility management and event management in Basel and the surrounding region. He currently works for Wincasa, a real estate services provider. Amongst other things, he played a key role in the transformation and development of the Stücker site and the positioning of the Stücker Park as an urban business location. Thanks to his current role, Christian Mutschler is already intimately familiar with Rhystadt's development project at the Klybeck site. This is because, in addition to the operative and entrepreneurial management of the properties at the Stücker site, he is also responsible for Rhystadt's Klybeck site.

"With Christian Mutschler, we are pleased to bring on board someone who not only has proven expertise in the relevant fields and points of intersection, but who also has deep roots in Basel and is intimately familiar with the local conditions in the city," explains Isabelle Romy, president of the Board of Directors. "Together with Christian Mutschler as CEO, we will continue to drive forward our project for a vibrant, lively and innovative urban quarter."

Christian Mutschler has a large network of contacts within the property sector and has plenty of experience in working together with local associations, authorities and policymakers. For example, before joining Wincasa he worked as Managing Director of DAS ZELT Ltd., as Regional Director Basel for ISS Facility Services AG, as Tournament Director Switzerland for the UEFA EURO 2008™ Austria-Switzerland, and as CEO and Stadium Manager for Basel United AG Stadion-Management.

As CEO of Rhystadt, Christian Mutschler will replace the two delegates of the Board of Directors, Anita Fetz and Dieter Kräuchi. From February onwards, these two will once more focus on their tasks within the strategic management committee at Rhystadt.
